

# McKnew's Daily Letter.

## Opening Continued All the Week.

### High "Novelties" Coats & Capes,

—giving us the richest line of Coats and Capes ever displayed in Washington.

It behooves all to exercise extreme care and judgment in selecting a Coat or Cape outside of our establishment.

You cannot be sure of getting the correct style elsewhere.

You cannot be sure of its quality elsewhere.

You cannot be sure of the "fit" elsewhere.

You cannot be sure you are getting it at the lowest price elsewhere.

You cannot be sure that the styles elsewhere are "exclusive." We never get enough of one style to permit of its becoming common.

See us about your Fall Wrap if you wish to be fully satisfied.

Inspect the Imported "Novelty" Garments sent us to force at "special" prices.

### Sole Agents for Jaeger Underwear.

The most distinguished medical men of the world and all the higher educated class in the United States, Germany, England and other foreign countries have endorsed the Dr. Jaeger Sanitary Woolen System as the most healthful in existence. All articles are manufactured from the finest and purest sheep's or camel hair wool without any mixture of vegetable fiber or injurious dyes.

We are sole agents for the Dr. Jaeger Sanitary Woolen System Co. for ladies' and children's garments in Washington and vicinity and beg to call your attention to our complete line of Day and Night Shirts, Drawers, Combination Suits, Petticoats, Abdominal Bands, Blankets, &c., in fall and winter weights.

### SAKS AND COMPANY.

### 50c. Saved.

THE that's "tied"—and a price that's "untied."—You know the big—wide flowing ends!—Everywhere a dollar.—But we wanted some to sell at 50 cents.—Neckwear makers are stubborn fellows—an 100-doen order wouldn't budge them.—So we bought the Silks ourselves by the yard—just as your wife would for a dress.—Turned them over to one of the leading "traders."—That's how we've got a DOLLAR SCARF to sell at 50 CENTS.

In the popular fall shades—emerald—blue—gray—red—steel—and the like—in figured and striped combinations.—Close to fifty different patterns.—A windowful on the 7th street corner—a row of cases full inside.—Costs nothing to look—saves fifty cents to buy.

Area't you letting a good chance slip by?—You'll have plenty of need for NATURAL WOOL WINTER-WEIGHT UNDERWEAR before long.

It's 85c. Now.

—likely to be \$1.25—what it's actually worth—then.—We cleared a "corner"—that's how we got it under price.—Our next buying will have to be at regular rates.

100 Dozen HERMSDORF BLACK HOSE and 150 Dozen ENGLISH STRIPPED HOSE were caught in the undertow of a trade crisis.—Cash rescued 'em—our cash.

—Cash rescued 'em—our cash.

2 Pairs for 25c.

Is the way we share our success.—One pair is almost worth a quarter.

Takes a \$1.50—under ordinary circumstances—to buy a Peralce Shirt worth having.—We've one style of Blue—with tiny dots—link cuffs attached of the same—that is a regular \$1.50 quality—for 75 CENTS.

All sizes—one of fashion's freaks.

Always bring anything that doesn't suit back and get your money.

### SAY!

AREN'T YOU TIRED of being bothered by your grocer? Doesn't it give you a weary feeling to have him send you word that he hasn't "Ceres" Flour, but "something just as good and cheaper"? There is no Flour just as good as "Ceres." Cheaper ones there may be, for "Ceres" is not a cheap Flour, nor is it a high-priced one. It is cheap for the quality.

"Ceres" makes MORE bread. LIGHTER bread, WHITER bread. SWEETER bread and BETTER bread than any other Flour in the world. Every "cook" uses it.

Insist on your grocer's sending "Ceres"—accept no substitute.
